Hi, For the moment, this is just a heads up that this is now back in and you should see this for review tomorrow afternoon since it is due to OEJ COB Monday. I have asked OPS, who is coordinating, for inputs by mid-afternoon tomorrow which will allow Monday for any further back and forth that may be needed. Let me know of any questions.

Are you leading/helping on this (meaning leading the coordination)? I want to forward appropriately without creating pandemonium. Thanks!

Good morning – sharing the email below that went to your EJ contacts last night. Note for a few offices – OW, OGC, OCSPP, OAR, ORD, and OLEM – there are questions in the draft doc directed your way for a response.

**Subject:** (Resending due to email technical problem) For Your Review and Feedback: Draft EPA Official Full Written Response to the NEJAC's 100 Days Letter

**Importance:** High

Greetings All,

Thank you all for your great efforts in providing inputs toward the Agency's official draft full written response to the NEJAC's 100 Day Letter. Please see following the MS Teams Channel Link to the draft full written response letter that OEJ developed based on the initial input from all the NPMs. Click [here](#) to access the draft document. Can each of the Program Offices provide your feedback and updates addressing your respective

areas in the document? Please also be sure to address comments and/or questions from OEJ and the OP IO pertaining various issues raised in the document. For instance, there are specific questions in the document (via comment bubbles) from OEJ and OP IO directed to OW, OGC, OCSPP, OAR, ORD, OCHP, and OLEM.

Can each of the Program Offices please provide your final input and feedback in the draft response letter **by no later than COB Monday, 9/20/21**? If you have any questions, please contact me and Cc: George Ward.

Very best regards,

Fred
